

# Join us in giving back this harvest.

## HONESTY. RELIABILITY. GROWTH.

These three words are the focus of the MAC mission. We invite you to join in our support of two organizations focusing on GROWTH: one focusing on the growth of future leaders in the agriculture industry and the other focused on the growth of global food security programs to reduce hunger. Ask your local facility for more information on the **MAC Matching Gift** to double the value of your grain donation!

### MICHIGAN FFA

*The Michigan FFA Foundation Gifts of Grain is a program in which commodity crops are gifted to benefit the Michigan FFA Foundation. Donations to this program support the leadership mission that FFA promotes and develops in its members.*

### GROWING HOPE GLOBALLY

*Growing Hope Globally is an organization that links agricultural communities around the world with smallholder farmers in developing countries to grow lasting solutions to hunger. Since 1999, more than 1.6 million people have become food secure with the help of the organization.*
