How to Enroll in Direct Deposit

1. Log in to your customer portal on mobile, tablet, or desktop device. There are two ways that you can sign up:

A banner introducing Direct Deposit will be displayed within your customer portal.

Note: Placement of this banner depends on how the customer portal is configured. The banner may be displayed on the Cash Bids, Settlements, Tickets, or Contracts screen.

2. You can go to "Settings" then "Direct Deposit"
3. To enroll, you'll need to complete the one time sign up process for opening a Bushel Business Account, provided by The Bancorp Bank, N.A. Member FDIC.* Once set up, you'll need to indicate which accounts in our system should be paid to that Bushel Business Account. You can always modify this by going to Settings → Direct Deposit.

Earn competitive interest on funds deposited into your Bushel Business Account and up to \$5 million in FDIC insurance through sweep program banks.*

*The interest rate for the Bushel Business Account is variable and may change at any time. Bushel is a financial technology company, not a bank. Banking Services for the Bushel Business Account are provided by The Bancorp Bank, N.A., Member FDIC. FDIC insurance only covers the failure of an FDIC-insured bank. The standard FDIC deposit insurance limit is \$250,000 per depositor, per FDIC-insured bank, per ownership category through The Bancorp Bank, N.A. and its sweep program banks. See the Bushel website and the Deposit Account Agreement for more details.
